

Fulfillment that fits the moment

Pickup, pallet shipments, individual drop-ship, or same-day courier — however the merch needs to move, we move it.

Pickup

Grab it straight from our Grand Rapids shop — no shipping cost, no wait.

Bulk shipping

Palletized or boxed shipments straight to an office, warehouse, or event site.

Drop-ship to individuals

Every order shipped directly to one person's door — no internal distribution needed.

Courier delivery

Same-day local courier when the deadline can't move.

Real example: when a deadline mattered more than convenience, we personally drove product to Chicago to get it there on time.
